Frontier Finance

AI-powered financial guidance that turns transactions into savings

The money gap is real

Everyday decisions are stressful

Bills, grocery costs, and subscriptions pile up

Most tools show numbers, not actions

Frontier Finance focuses on decisions people can actually make

4.2%

of U.S. households are unbanked (5.6M households)

Source: FDIC 2023 National Survey of Unbanked and Underbanked Households

Financial literacy remains low

Only 49%!

average correct answers on the 28?question P?Fin Index (2025)

Over 66%

Of US Citizens Report not having adequate savings (WalletHub)

Savings Impact

$9,985

average annual food spending per household (2023)

If Frontier Finance helps cut just 5?15% of food costs, that?s roughly $500?$1,500 per year in savings. (Conservative internal estimate based on BLS spend.)

The Value Is Simple

$5 / mo
Flat monthly subscription

$500 – $1,500
Estimated annual savings per user

100× return
On your subscription cost

Paying $5
to save hundreds
just makes sense.
ROI @ 1,000 paid users

Equity + Accessibility

- FDIC: Black households unbanked 10.6%
- FDIC: Hispanic households unbanked 9.5%
- FDIC: White households unbanked 1.9%
- CDC: 1 in 4 U.S. adults (27%) have a disability

- Voice guidance lowers friction for users with disabilities
- Caregivers can track spending and routines in one place
- Bridges access gaps with clear, actionable steps
